CHI 2018 Media Advisory for Tuesday, April 24, 2018

Welcome to day 2 of the ACM CHI Conference on Human Factors in Computing Systems. We are pleased you have joined us for the 36th ACM CHI conference. Our Press Office is located in 522C of the Palais des Congrès de Montréal, and is open from 8:30 - 17:00.

Here’s a glimpse of Tuesday’s events:

**CHI Expo**
Some of CHI 2018 [Demonstrations have follow-up presentations](#)

**Internet of Things**
New research to enhance the quality of life:
- Paper: [A Bot is Not a Polyglot: Designing Personalities for Multi-Lingual Conversational Agents](#)
- Paper: [The Ambient Birdhouse: An IoT Device to Discover Birds and Engage with Nature](#)

**Wearables**
New approaches to wearable human-computer interaction:
- CHI Expo/Demo: [Design Guidelines for Wearables and Movement in Tabletop Role-Playing Games via a Research Through Design Process](#)
- Paper: [Presenting The Accessory Approach: A Start-up’s Journey Towards Designing An Engaging Fall Detection Device](#)
- Paper: [Design for Collaborative Survival: An Inquiry into Human-Fungi Relationships](#)

**Sharing Economy**
New research on the sharing economy and human-computer interaction:
- Paper: [Algorithmic Anxiety and Coping Strategies of Airbnb Hosts](#)

**Gaming**
- [GameJam](#): New games made and played at CHI 2018!

**Late-Breaking Works** include:
- [A Safety Net: How Older Adults Build and Maintain Interpersonal Relationships](#)
- [The Different Effects of Motivational Messages and Monetary Incentives on Fostering Walking Behavior](#)
- [Can a Machine Tend to Teenagers’ Emotional Needs? A Study with Conversational Agents](#)
In addition, you can

- Sing along with the Choir! Choir! Choir! Keynote
- Expose yourself to Art in VR Lounge

As you publish your interviews/articles, please send them to me and we'll post them on the CHI 2018 website. And please let us know if you would like help with navigating the conference and facilitating interviews.
